

## **Al-Huda School will continue online/remote learning until further notice**

Tue, Jan 12, 8:44 AM

Assalamu alaikum wa rahmatullahi wa barakatuh,

Dear Parents,

I hope this email finds you and your families in the best of health and Imaan. May Allah protect you and your families amidst this pandemic, and have mercy on those who have returned to Allah subhanaoo wa ta'ala after being afflicted with this disease. Aameen.

We had announced in October of 2020 that we will continue remote learning until the end of January and that we will make a decision for the remainder of the school year by January 15. In making our decision, we have taken these key points into consideration:

1. New Coronavirus cases continue to rise each week in [Prince George's County](#).
2. According to the [Prince Georges County matrix for safe school reopening](#), a return to in-person instruction under current conditions would put our staff and students at high risk of contracting the virus.
3. Prince George's County Public Schools have announced that [they will continue distance learning until further notice](#), while monitoring the COVID-19 situation.

In light of these points, we have decided to **continue remote/online learning until further notice** in sha Allah. We will strive to provide you with regular updates on the current situation as they become available to us.

In the meantime, we are asking for feedback from our parents and students to help us assess the general opinion in our community and to see how we can improve on our online education. Please take a few minutes to complete this short online survey:  
<http://b.link/ahsonline>

We humbly request that you give your valuable feedback by [completing this survey](#) by **Friday, January 15**.

If you have any questions, please feel free to email me.

Jazaakumullaahu Khayran for your continued support.

Haroon Baqai  
Principal
