Assalamu alaikum wa rahmatullahi wa barakatuh,

Dear Parents,

I hope this email finds all of you well. May Allah protect you and preserve you and your families; may He bless all of you with good health and Eman; may He keep our hearts together for His sake and allow us to be of service to Him; may He accept all of our efforts to educate our children and gather all of us in the highest levels of Jannah. Aameen.

We wanted to give you an update about the two considerations we had for reopening Al-Huda School for in-person instruction. To reiterate, we are keen to have our students back in person because we believe that is best for their academic and social development and growth. We want to return to in-person instruction as quickly as possible, while keeping the health and safety of all of our community as our top priority.

1. COVID-19:

According to the CDC, Prince George's County is now in the "High" level of community transmission (see attached).

2. Renovations in Al-Huda School

Alhamdulillah the renovations are well underway and are expected to be completed in a few weeks In Shaa Allah. However, it is not safe for the students to return to the building at this time.

In light of the above, Al-Huda School and Hifzh School will continue online instruction until October 1. We aim to start in-person instruction on Monday, October 4, In Shaa Allah. The first day of school (online instruction) will still be Wednesday, August 25.

If anything in this plan changes, we will communicate with you In Shaa Allah. If you have any questions, please feel free to contact us. We thank you for your cooperation and support and ask for your continued dua's.

Jazaakumullaahu Khayran.
