Tue, Jun 23, 2020, 11:44 AM

Assalamu alaikum wa rahmatullahi wa barakatuh,

Beloved Parents and Students,

With the help of Allah subhanahoo wa ta'ala, and then with the hard work of everyone - teachers, staff, students, parents, the whole community - we were able to finish this school year off strong, Alhamdulillah. Despite the odds and challenges, Allah blessed us to quickly switch to online learning and continue to benefit our students. Allahu Akbar! Thank you so much for all your support, hard work, and dua's!

In accordance with the teachings our beautiful Islam, we wanted to do shura (consultation) with all of you. We are humbly requesting your Nasihah (sincere advice) about how things went during the last quarter of this year so in case we have to continue remotely next year, we can improve the online learning experience for our students. Please take a few minutes to complete [this survey](#) by this Sunday, June 28. Your thoughtful and constructive feedback will be much appreciated, In Shaa Allah.
