Assalamu alaikum wa rahmatullahi wa barakatuh,

Dear Parents,

I hope this email finds you and your families in the best of health and Imaan. May Allah protect you and your families amidst this pandemic and have mercy on those who have returned to Allah subhanaoo wa ta'ala after being afflicted with this disease, Aameen.

During our Town Hall Meeting on February 27th, we addressed the importance of returning to face-to-face learning as well as the challenges we face as a school in trying to do so. For those of you who may have missed it, you may read a summary or watch a recording of the Town Hall meeting.

As the current Covid-19 numbers in Prince George's County remain in the high-risk zone, Al-Huda School and Hifzh School will continue online learning for the rest of this school year in sha Allah. We are hoping and planning to be able to return to the school building for Fall 2021, in shaa Allah. Any new developments or updates will be sent to your email, so please always read emails from the school. Also, please check our COVID-19 webpage.

If you have any questions, please feel free to email me.

Jazaakumullaahu Khayran for your continued support.
