## INTRODUCTION

Dear Parents,

As-Salaamu 'Alaikum wa Rahmatullahi wa Barakaatuh

All praise and thanks belong to Allah, The High Exalted, the Beneficent, and the Merciful. May the Peace and Blessing of Allah be upon His Messenger and Servant, Muhammad sallallaahu 'alaihi wa sallam.

Welcome to Al-Huda School. It is our hope that your child will find a satisfying and rewarding experience in the Islamic atmosphere of our school. We encourage you to work closely with Al-Huda school and become acquainted with your child's teachers. Cooperation between the home and school is essential for your child's success. An Islamic educational program can only be effective when it is reinforced in other areas of the child's life. Parents must remember that learning does not end at school, but continues and requires reinforcement at home, in shaa Allah.

This handbook contains basic information about Al-Huda School, including your rights and responsibilities as a parent, a school calendar, and other important information. Please keep this handbook available for reference throughout the school year. **It is important to return the agreements at the end of this document signed at the start of the school year.**

### *Philosophy of Islamic Education*

The main goals of Al-Huda School are to provide quality education, to instill a love of learning in the students, and to graduate students who will practice Islam as a complete way of life. The entire curriculum is presented to the student through an Islamic perspective in each discipline, providing excellent academic preparation for higher education. The most distinguishing characteristic of Al-Huda School is that it provides an environment that encourages the development and flourishing of Islamic identity. Furthermore, the school is the foundation upon which we hope to build a living Islamic community that adheres to the Qur'aan and Sunnah.

### *Parents' Role in Education*

Parents are encouraged to involve themselves in the educational process of their children. Al-Huda School intends to hold frequent parent-teacher conferences to exchange information and to work towards optimizing your child's development. Parents are highly encouraged to join and actively participate in different school activities that are available. It is important for school and home to work cooperatively in order to ensure the best education possible for our children.

## AL-HUDA SCHOOL'S MISSION

*To nurture Allah-centric youth to overcome today's challenges with innovative solutions.*

Al-Huda School (AHS) is working towards empowering the Ummah by developing students, who are well-rounded individuals who are strong spiritually, emotionally, and physically. Through the knowledge of the Qur'an and Sunnah along with high academic achievement, students will be capable of dealing with today's challenges.

### *Our Overall Organizational Goals: "Know, Show, Grow, Glow"*

The purpose of Dar-us-Salaam is to develop a tangible, dynamic Islamic community based on the teachings of the Qur'an and the Sunnah. The Islamic community will serve as a home and center for committed believers seeking to share the Word of Allah and will serve as an example to the surrounding non-Muslim community in shaa Allah. What follows is a list of four main goals of Dar us Salaam and as they pertain to Al-Huda School:

#### Goal # 1: KNOW

##### Knowing Allah In Your Everyday Life

Students will independently use their learning to apply the knowledge of Allah in order to be a servant of Allah in their daily life.

#### Goal # 2

##### SHOW

##### Gratitude to Allah

Students will independently use their learning to apply the concept of gratitude through interactions with Allah, self, family, neighbors, community, humans, non-humans, and the environment.

#### Goal # 3

##### GROW

##### Building an Intentional Community

Students will independently use their learning to build reciprocal connections between the individual and the community.

#### Goal # 4

##### GLOW

##### Sharing the Message of Allah

Students will independently use their learning to share Islam in an holistic and comprehensive manner.

## ADMISSIONS

Al-Huda School is equipped to instruct children who do not have any diagnosed special learning, speech, physical, or behavioral challenges. All new students are on probation for the first 8 weeks (special rules apply to under-age 1<sup>st</sup> graders, see below). Those showing special needs or challenges will not be able to continue at the school. A child entering grades other than Kindergarten must have successfully completed the previous grade for entry into Al-Huda School. A special admission policy exists for grades Kindergarten and 1<sup>st</sup> and is outlined later in this section.

In addition to these admission requirements, parents must complete the application and registration process as outlined below before an admissions decision can be made.

### *New Students*

#### **Admission Process for New Students:**

A completed Al-Huda School must be mailed or returned to the school office along with the following documentation:

- Non-refundable application fee of \$40
- Copies of any previous school records including report cards, progress reports, etc.
- Birth certificate
- Current immunization records
- Standardized test results
- Recommendation letter from Principal and/or teacher of the last school attended and masjid authority (if requested)
- Transportation application (if applicable)
- Admission Test
  - Once the above steps have been completed, then a school representative will contact the applicant to set up a time to take the Al-Huda School Admissions Test.
- Student Interview
  - After the admission time, a separate appointment will be made for a student interview by the Principal and /or Vice-Principal

Applications will be screened on the basis of the application filing date, previous school performance or recommendations plus the oral and/or written examinations to determine eligibility for admission to Al-Huda School.

### *Admission Requirements for Kindergarten and 1<sup>st</sup> Grade*

#### **KG Admission Requirements:**

1. Students should turn 5 years old by September 1<sup>st</sup> of the academic year.
2. Students must be potty-trained before they can be admitted into the classroom.

Students who are under-age for KG (will not turn 5 years old by September 1<sup>st</sup> but they will turn 5 years old by or before December 31<sup>st</sup> of the academic year) can be admitted under the following conditions:

- 1- The parents must initiate the request for admission in writing to the school stating the reasons why their child should be warranted early admission (fill the form)
- 2- Submit documents supporting your request for early admission (the child has attended a pre-school program or an equivalent program, a recommendation letter from the child's pre-school/program teacher describing the child's academic, physical, and social development and progress, etc....)
- 3- Submit a signed agreement from the parents stating:
  - a. Students will be on probation for the 1<sup>st</sup> quarter.
  - b. Students' progress (academic/behavior/physical) will be monitored during this time.

- c. A parent conference will be scheduled if the student's progress is not at level.
- d. Students who are not at level by the end of the 1<sup>st</sup> quarter will not be allowed to continue in school.

The agreement must be signed by the parents and submitted to the school before admission can be granted.

### **1<sup>st</sup> Grade Admission Requirements:**

New students who are under-age for 1<sup>st</sup> grade (will not turn 6 years old by December 31<sup>st</sup> of the academic year) will not be accepted into Al-Huda school for the 1<sup>st</sup> grade (they may apply for KG).

### ***Student Registration***

In order for a student's registration to be complete the parents must:

- Complete all application information listed earlier in this manual.
- Fill out the Registration Forms (A variety of forms must be completed and signed by parents including a registration form and cumulative record file release form.)
- **Fill out and sign the Financial Agreement form before a student is allowed to attend classes.**

### ***Probational Acceptance/Re-admittance***

Parents of provisionally accepted or re-admitted students **must attend** all Parent-Teacher Conferences and any other meeting deemed necessary for the success of their child. This also applies to students put on probation for academics (D/F in any subject) or behavior. Success depends upon the cooperation of the home with the school. Failure to parental participation in the educational process may lead to student expulsion.

### ***Returning Students***

Students who are currently enrolled at AL-HUDA SCHOOL and want to continue enrollment for the following year must notify the school during the period of re-enrollment in order to reserve a space. Returning students must be up to date on tuition and other school financial obligations. Enrollment is contingent upon successful completion of the current grade and satisfactory behavior.

### ***Tuition and Fees***

Al-Huda School receives no financial support from government sources and therefore depends solely on tuition, fees and charitable donations from community members. Through the help of Allah first and then through fund-raising efforts we strive to keep our fees as moderate as possible. We encourage parents to join our Fundraising Committee, which assists the school in fund-raising efforts. In addition, we encourage parents to participate in the various fundraising projects that take place. For more information, contact [funding@alhuda.org](mailto:funding@alhuda.org) or call 301-982-2061

### **Tuition**

Refer to the Tuition Plan and Schedule for details. Please note: If your child is withdrawn early or is expelled, all paid tuition will be forfeited. Tuition is due in full each month regardless of the number of days your child has attended school.

If your child is sick or absent for any reason and does not attend, the payment will not be dropped and no compensation will be made for time missed.

**IMPORTANT:** Your child's transcripts and any other related documents will be withheld and class spot will be withdrawn if tuition is not paid in full by the end of the school year.

### **Books**

Students must be prepared for school upon arrival on the first day of class. Parents must purchase all books and supplies by the end of the first week of school. After the first week of enrollment, students will not be allowed to attend class without being properly prepared for class.

### **Fees**

A non-refundable application fee is charged for each new applicant to cover the costs of the admissions process.

### ***Non - Discrimination***

Al-Huda School does not discriminate on the basis of sex, race, color, national, or ethnic origin in the administration of any of its policies or programs.

### **ABSENCES & TARDINESS POLICY**

Regular school attendance and punctuality are essential for a successful school experience. School attendance is mandatory by law. All students are required to attend school from 8:00 a.m. to 3:20 p.m. except in the case of illness or absence reported by the parents. On Fridays, dismissal is at 1:50.

A student who knows in advance that he/she will be absent should have a parent/guardian call the school the day that they will be out *and* bring a note from his/her parent explaining the absence upon his/her return. This note must be submitted to the homeroom teacher. Any long-term absences must be approved by the Principal.

#### ***Absences & Make-up Work***

Any absence must be accompanied by a doctor's note or a parent's note explaining the absence. The principal may give consideration for extenuating circumstances. At any time, the principal may require a doctor's written statement to verify a student's absence due to extended illness or injury.

All school assignments missed will be made-up within three (3) school days of the student returning to school. Example: Gone on Monday, work due class period on Thursday; Gone Tuesday, work due class period on Friday. For a partial day absence, school assignments will be due the following day's class period. An extension of time may be granted if the student asks for it and the teacher deems it necessary.

Before the student and parent make the decision to miss work or school to go hunting, shopping, and skiing or to be absent for any number of reasons, they must weigh the consequences of the decision. If, on the other hand, the work s/he misses will be relatively easy to make up, s/he may risk the absence. Since only five absences are allowed each quarter, students and parents should seriously consider not being absent for frivolous reasons in case a legitimate need to be absent arises later.

The student and parents bear the responsibility for attendance decisions and accept either positive or negative consequences of those decisions. Consequences of excessive absences always result in lost opportunities for learning.

We encourage students to be in school every day to receive the best possible education. The consequences for deciding not to be in school go hand in hand with "real life" choices and decisions.

#### ***Extended Leave/Vacations***

Parents who wish to take their child out of school for more than 3 school days must:

- Must fill out the Extended Leave from online. It can be found at [www.alhuda.org](http://www.alhuda.org).
- Request written consent from the principal at least two weeks in advance. (Requests placed less than two weeks in advance may not allow for the student to make up missed work, which will affect their grade and may lead to possible retention).
- Parent must contact the child's teacher after the Principal has approved the leave.
- Teachers are not to make any arrangements with parents without written permission from the Principal.
- Parents must understand that the student is responsible for all work missed during his/her absence.
- Work missed must be made up within 2 weeks of returning or as arranged with each teacher.
- Students may be required to take a test to assess whether he or she has mastered the grade material for promotion to the next grade.
- A student may be retained if he or she fails to meet requirements for promotion to the next grade level.
- Absence waivers can be attained in the case of an extraordinary long-term illness documented by a physician, or a trip approved by the Principal in writing.

### ***Tardiness***

Students who arrive at school after 8:00 am will be marked tardy. Students are expected to arrive on time for class and assembly. Students are required to attend the morning assembly, which begins at 8:00 AM. Students who arrive after 8:20 AM will not be allowed in class with the exception of KG students. Tardiness is disruptive to the teachers and other students; therefore, late students will have to wait in the front office until the end of the first period.

Parents must report a reason (by phone or in writing) for their child's tardiness in order to be receive consideration for an "excused tardy". The school will determine the status of the tardy. Excused tardiness would include traffic accidents, severe unexpected weather, or other emergencies. Excessive tardiness is grounds for various sanctions including parent conferences, suspension, and expulsion.

When dropping off students late, the parents must come into the building and sign-in their child at the front office.

### ***Early Dismissal***

After arrival at school, a student will not be allowed to leave school without permission from the office. Parents who need to pick up their child before the regular dismissal time must:

Contact the school office to inform them of the early dismissal

- Enter the school office where the office staff will notify the student to come for dismissal
- Parents are NOT to pick up their child directly from the classroom.
- Sign their child out in the appropriate "early dismissal" binder.
- Parents who arrive after 2:45 pm (Monday-Thursday) or after 12:45 pm on Friday must wait for their child(ren) to be dismissed at the regular time.
- For safety reasons, teachers have been instructed not to release students to anyone coming into the classroom. School security will help enforce this policy; therefore, please do not enter the classroom without proper authorization.

### ***Early Drop Off/Late Pick-Up***

Any parent that drops off his/her child before 7:55 am must understand that there will be no supervision of their children. Parents who are unable to pick-up their child(ren) on time must register them with the **Study Hall Program**. Study Hall program runs from **3:45 pm to 6:00 pm** on Monday to Thursday and from **2:45 pm to 6 pm** on Fridays.

All students who are not picked up by 3:35 pm will be **escorted to and will be required to attend Study Hall**. Parents will have to pay the fee accordingly. Study Hall program is for students from KG to 8<sup>th</sup> grade.

Parents who are not able to pick up their children by 3:30 pm, can enroll their child/ren for a weekly fee of \$40.00 per child. Parents who do not have their children enrolled in the study Hall program will pay a fee of \$5.00 per hour from 3:45 pm to 5:45 pm. After 5:45 pm, a charge of \$5.00 per 15 minutes will apply. For students who are enrolled in the study hall program, \$5.00/15 minute charges will begin after 6:00 pm.

No children will be allowed to wait in the playground, blacktop, or anywhere else on the campus for their parents to pick them up. Students found in violation of these rules will face disciplinary consequences as outlined in the handbook. Older siblings are not allowed to sign out younger siblings from study hall. Only adult persons, as indicated in the student file as authorized to pick up students, will be allowed to do so. If you make alternate arrangements for pick up, you must notify your respective Vice-Principals. Parents must sign out their children. If not, then parents will be charged for the complete two hours and 15 minutes.

In winter, Salaatul 'Asr arrives right after dismissal. Please arrive on time to sign out your children prior to Salah in order to avoid study hall charges for those days.

### *Leaving the campus*

No student may leave the school building without a parent/guardian or teacher. Students may not leave the campus without a teacher and without written parental permission.

### *Visitors:*

- Students will not be released to any visitor without written permission from the parents.
- Parents must notify the front office, in writing, if someone else other than the appointed individual is picking up their child(ren).
- Teachers who notice visitors in the school without a visitor pass will ask the person to report to the main office to properly sign-in.
- Parents are not to visit classes while classes are in session unless pre-arranged and approved by the administration; this includes discussing student's problems with other teachers, students, and other parents.
- While we allow prospective student visitors, we ask that the arrangements be made one week in advance. Upon approval from the school administration, the visitor may attend a day of classes. While the visitor is on school property or premises he/she must adhere to Al-Huda School's rules and regulations.

### *Dismissal Procedures*

Dismissal procedures are for the safe and efficient adjournment of the students for the day. Following the dismissal procedures, therefore, will be required.

**K-2<sup>nd</sup> Grade dismissal time: 3:20 PM**

**3<sup>rd</sup> -12<sup>th</sup> & Hifzh School dismissal time: 3:25 PM SHARP**

- Parents must be ON TIME to pick up their children and they must display the PICKUP numbers provided by the school in their so that they can be clearly seen. Three sets of PICKUP numbers will be provided to each family which they are responsible in turn to provide to any and all authorized drivers who pick up their children.
- Students will NOT be released to ride with any unauthorized drivers.
- All students are REQUIRED to ATTEND study hall if they are not picked up on time. **Parents must pay the study hall fees if this happens.**
- Parents must pick up their child(ren) from the appropriate section.
  - Boys dismissal area is in the front of the building
  - Girls dismissal area is on the side, at the second round-about
- Wait for the teachers on duty to bring your child(ren) to your car, or for older students who come out on their own.
- Do not leave the **vehicle unattended** in the circle at any time. If you need to get out to come inside for any reason, then park the car in the appropriate parking area.
- Please follow the instructions of the people on traffic duty in order to maintain order and safety
- DO NOT SPEED when driving on the school property.
- If you know you are running late, then please call the school right away to notify the teachers on duty.
- Please refer to the **Al-Huda School Driving Guidelines** at the end of this handbook.

Only authorized parents or those designated by parents or legal guardians who are listed in the school's official record are allowed to pick up students. Please be sure this information is up to date with the school office.

High School will be dismissed at 3:25 pm. Dismissal is made by announcement to each classroom over the intercom where students will be summoned by name as parents or authorized drivers arrive outside the building. They are also dismissed according the aforementioned procedure.

***Additionally, high school students will ALSO be required to attend Study Hall up to 5:00 PM if they are NOT picked up on time or allowed to go home on their own.***

A written letter must be provided to the school for students who are allowed or expected to go home after dismissal on their own. Otherwise, all students must go through the dismissal procedure and await the display of their name. Students are not to leave until dismissed by their teachers.

### ***Emergency Closing***

In case of emergency (snow, storms, floods, etc.) the school may close for the day, delay opening, or may dismiss early. Information will be available on the school's website ([www.alhuda.org](http://www.alhuda.org)), 103.5 FM (WTOP), local television news stations, email notification via Gradelink and a special message will be left on the school's voicemail.

## **HEALTH**

### ***Illness***

Because we want to make our school program as successful as possible, we must ask that children who are sick be kept home. A child with a fever (over 100°F) may not attend school. Any child previously suffering from a fever must be fever-free for 24 hrs. before returning to school. Lengthy illnesses may require doctor notification. Parents will be required to pick up their child if they are in this state of health.

### ***Communicable Disease***

If your child has a communicable disease such as lice, chickenpox, hand, foot, mouth disease (HFMD), staph infection, strep throat, measles, mumps, etc. a parent of the child must notify the school immediately. Children with communicable diseases must stay home from school until written approval from a physician is submitted.

### ***Emergencies***

If your child should become ill or injured while at school, you will be contacted and requested to pick up your child. In the event that you cannot be contacted, your child must have emergency information on file with persons to be contacted in lieu of parents. If there is a change in this emergency information, please notify the school immediately so that the records may be updated.

### ***Administration of Medications***

*The procedures and policies for medication given to students on school grounds, during school hours have been updated to meet the Maryland State Department of Education's guidelines and standards. We thank you for your patience and support as we make this transition. We believe these updated procedures will help us to better address and meet the safety needs of our students.*

All student health concerns must be directed to the Health Suite. Medication will not be administered in the classrooms.

Teachers are not to collect or receive any medication or forms regarding the medication directly from a parent or student. Parents must turn in the medication and accompanying form to the Health Suite.

### ***The Physician Medication Order Form (PMOF)***

For any student who requires taking medication during school hours, the parents must bring in a completed Physician Medication Order Form (PMOF) to the Al-Huda School Health Suite (see appendix there is no appendix listed in the table of content). This must be done for every single medication that must be administered to a student. This includes any over the counter medications. We will need a completed PMOF for all over the counter medications.

The PMOF gives us the authorization to administer the necessary medication to a student when needed.

The parent must have the physician or prescriber complete the PMOF form and the parent must turn it to the Al-Huda School health suite.

We will only store the medication if the PMOF has been completed. We will not accept the medication if the form is incomplete or missing any information.

We will not accept any forms via fax or email. Additionally, parents cannot grant any permission for administering medication. If the student is in need of any medication and we do not have the necessary authorization, then the parents will be contacted and/or we may call 911 if there is a life-threatening emergency.

The form, prescription, and medication must be turned in to the Health Suite IN-PERSON by the parent or guardian.

All medication must be in its original packaging.

### ***Inhalers/Nebulizers***

Inhalers must be in their original packaging/case. Please make sure you have one inhaler for home and one for school. We will not send the inhaler home every day. The inhaler must remain in the Health Suite for the duration that the student needs the medication.

Nebulizers will not be administered at Al-Huda School. If your child is in need of such treatment then this must be administered at home. We will not accept nor store nor administer nebulizers to any student.

If the nurse or designated individual makes a referral to see a doctor, then the student will not be allowed back to school without a doctor's note and consent. These policies and procedures do not include long-term or maintenance medication. Al-Huda school does not have the resources to administer such medication on a regular basis to students.

### ***Administration of Medication Off-Site***

If a student is in need of medication while on a school field trip or any other school-sponsored events held off-campus, then the parent's MUST accompany his/her child.

*If the parent/guardian cannot accompany his/her child to any school-sponsored trips off-campus, then the student will not be allowed to attend.*

### ***School Phone Use***

The school phone may be used by students only in case of emergency or when student-to-parent contact is deemed necessary by the teacher or office personnel.

## **BEHAVIORAL STANDARDS**

### ***Discipline and Student Behavior***

AL-HUDA SCHOOL'S policies regarding discipline and student behavior set the expectation for high standards of moral conduct and self-control that should be exhibited by every Muslim. The purpose of this code is to provide an atmosphere of order conducive to learning, to develop a sense of responsibility, and to aid student growth in self-discipline. Students and their parents are expected to follow the school rules as briefly mentioned below and detailed in the Al-Huda Discipline Policy and Procedure. The school staff provides guidance and reinforcement to achieve these standards.

### ***Student Responsibilities***

- Students are expected to show a polite and respectful attitude towards other students, adults, and school personnel.
- Students must follow the classroom rules.
- Students are expected to be honest.

- All students must adhere to the Al-Huda School dress code and code of conduct when attending any and all Dar-us-Salaam and Al-Huda School events. Our mannerism, behavior, and dress reflect our identity as believers. It is imperative that we carry ourselves with the honor and decorum required by as Muslims who practice the Qur'aan and Sunnah.
  - Failure to adhere to the Al-Huda School and Dar-us-Salaam standards can result in disciplinary intervention by the school administration.

### ***Parent Responsibilities***

- All parents are required to follow the proper Islamic guidelines and etiquette for interaction between brothers and sisters.
- Parents should also be respectful towards other parents, community members, Dar-us-Salaam & Al Huda school staff, teachers, administration and students. Failure in meeting this criterion may result in their child being expelled from school.
- Parents are responsible for providing the student with a nutritious lunch and snack.
- Parents should offer their child a healthy breakfast before school. Children who eat a nutritious breakfast attain higher achievement.
- Parents have the responsibility to bring their children to school on time and pick them up on time.
- Children should get proper sleep each night. Parents have the responsibility to see that their children are well rested before coming to school.
- **Parents must purchase all books and supplies within the first week of the student's attendance.**
- **Students who are not prepared for school after their first week may not be allowed to attend class.**
- Parents are highly encouraged to show support for Al-Huda School by participating in school functions and communicating with school personnel.

- Parents must review their child's homework and sign any forms requested by the child's teacher.
  - Teachers often have the students bring home a work folder, which summarizes the child's homework for the day. You should make it a habit to personally look through your child's bag when they come home each afternoon to see what their assignments are for the day.
- If a parent desires to speak with a teacher or administrator, an appointment should be made with the appropriate individual.

### ***Discipline Code***

The classroom teacher is the center of an effective school discipline plan. The major disciplining role of the teacher is to teach and reinforce appropriate school behavior. The teacher is responsible for giving guidelines for appropriate school behavior using the school's code of conduct and rules. The teachers at AL-HUDA SCHOOL put more energy into reinforcing success than into controlling behavior. When students behave appropriately, the teacher will provide positive feedback. When the students behave inappropriately, the teacher will consistently enforce the consequences. When a behavioral problem occurs, the teacher corrects the student's behavior by using the procedure outlined in the Discipline Policy and Procedure. If one procedure or set of procedures does not work to improve the child's behavior, the teacher tries something else, utilizing school site resources, i.e. aids, office staff, and administrators.

### ***Respect for Property***

Students and their families will be held financially responsible for any destruction or defacing of school property. This includes but is not limited to desks, chairs, books, etc.

### ***Toys, music, electronic devices, and other prohibitions***

Any item that is a distraction to the learning environment or is haraam is not allowed on school property. If the item is disruptive to the teacher, it will be collected and the parents will have to pick it up.

- Electronic games, headphones, or any other electronic device of the sort is not allowed.

- Birthdays or any other non-religious holidays are not to be celebrated nor solicited on school property.

### ***Field Trip Transportation Behavioral Standards***

All Al-Huda School students are expected to conduct themselves in an appropriate manner during field trips. Students must follow all school rules and procedures while on field trips. Continued disruption on the busses may result in expulsion from attending field trips. Persistent, serious offenses will also warrant school intervention and possible sanction.

Field trip rules include, but are not limited to the following:

- NO EATING OR DRINKING ON THE BUS
- NO FIGHTING (PLAYING OR REAL)
- NO STANDING OR GETTING OUT OF YOUR SEAT
- NO YELLING OR SCREAMING

- 3= Satisfactory
- 2= Unsatisfactory
- 1= Needs Improvement.

The behavior grades will NOT be included in the GPA. The behavior grades will be given out on a daily basis and will be reflected in quarterly report cards. These grades will determine a student's standing, ranking, and performance. The behavior grade will also weigh in on any disciplinary decisions made by the school administration. 1 behavior point will automatically be lost upon issuance of any Behavior Violation Form (aka Pink Slip) and a suspension will mean an automatic loss of 2 behavior points within the quarter it occurs and will be reflected in the report card.

### ***Report Cards***

Report cards are distributed quarterly at the Parent-Teacher Conferences (the final report card will be mailed home). Report cards will not be distributed before the Parent-Teacher Conference date. Grading is done according to grade level, quality of work, completion of assignments, participation, behavior, and teacher assessment.

### ***Promotion***

Promotion from one grade to another normally occurs at the end of the school year. It is based upon the student's achievement and performance in the current grade level.

### ***Retention***

- Retention will be considered if the student earns three (3) or more F's ./ Ns for the year.
  - A student who fails any course must ensure mastery of the material by the end of the summer in order to be considered for promotion into the next grade.
- A student may not be retained more than one time while enrolled at Al-Huda School. If this occurs, parents will be asked to look for other educational alternatives.

### ***Retention Procedures***

- Parents of students who are struggling to pass their classes, (i.e. earning Ds or U or below), will be contacted frequently to discuss ways to improve the student's work.
- If, after careful observation the first three quarters, a teacher feels retention is a possibility, he/she shall consult with the Principal. The teacher will then schedule a parent conference to discuss the student's academic progress. At this conference, the possibility of retention will be presented as well as specific plans for progress.
- Depending on the student's progress, a recommendation for retention will be made by the homeroom teacher with the Principal's approval. A conference will be scheduled with the parents at the earliest time possible during the fourth quarter.
- The Principal will make the final recommendation for retention.

### ***Academic probation***

- A student who receives a D/U or below in any subject within an academic year will be placed on academic probation.
- Parents will be notified of their child's status and will be required to take measures that ensure their child's success, in shaa Allah.

- The school may require that students who have continued unsatisfactory performance in their studies seek other educational alternatives (transfer).

### ***Grade Skipping (Acceleration)***

Grade skipping is not a usual occurrence at Al-Huda School; however, special cases will be considered.

2. If a student has completed prior credits at an accredited institution and the course work meets the Al-Huda High School’s requirements then those credit requirements will be waived.
3. If a student has **not** completed or met the necessary credit requirements then s/he will be required to take the

4. Thereafter the student may be required then, at the administration’s discretion, to take the Al-Huda High Schools for some, or all of these courses at the end of the school year in order to be granted the credit. (*Receiving the credit means the student is granted a waiver to take the course at Al-Huda High School*).

5. For the Arabic, Qur’an and Islamic Studies subjects the following criteria will apply:

- Qur’an – take 80 hours of pre-approved Quran Institute classes at one of the Dar-us-Salaam Qu’ran Institute branches.

### ***Honor Roll & Honorable Mention***

In order to motivate our students and parents, we at Al –Huda School strives to recognize all of our students through various programs. One of these programs is our Honor Roll. Students who meet a certain academic and behavior standard are recognized at the end of each quarter for their outstanding work and effort. The criteria are as follows:

<b>K-2<sup>nd</sup></b>	None	None

### ***Hairstyles***

Boys and girls should avoid hairstyles that may violate Islamic principles. In general, those that are expressly prohibited by Islamic texts such as those clearly imitating popularized styles of non-Muslims, i.e. leaving tufts of hair while shaving the rest of the head, imitations of the opposite gender, using hair extensions, unnatural hair coloring or putting the hair up in a bun to create a camel-like appearance even under a khimaar (scarf).

To avoid confusion and to maintain consistency on this issue all males should have their hair cut from short to medium-length (not more than shoulder length for those with straight hair or curly hair), and neatly combed or brushed. Hairstyles should be free from designs and generally cut evenly. For boys: braids, plaits, long hair pulled back in a knot, dreadlocks, processed curls, 'rat tails', mohawks, 'faux' hawks, extreme 'fades' or 'crew' cuts and the like are not allowed and any student with these types of styles will be asked to change them and a notice will be sent home to parents notifying them of the request and why.

Girls generally do not uncover their hair while at school, however, they should also avoid the aforementioned styles applicable to them.

If a student does not comply with the request to change a hairstyle, they may not be admitted to classes until the matter has been resolved. Intentional non-compliance will be officially noted as a violation of dress and disciplinary policy.

The Vice Principals (VPs) will have discretion as disciplinary officers to implement the aforementioned policy and the Principal will decide on any disputes.

### ***Dress Code Violations***

- 4<sup>th</sup> warning: Referral to the administration (once the above steps have been taken); a parent will have to bring in the correct uniform or the student will be sent home

### ***Dress Code at Al-Huda School & Dar-us-Salaam Events***

All students and staff must adhere to the Al-Huda School dress code and code of conduct when attending any and all Dar-us-Salaam and Al-Huda School events. Our mannerism, behavior, and dress reflect our identity as believers. This includes events such as fundraising dinners, middle and high school graduation, etc.

It is imperative that we carry ourselves with the honor and decorum required by as Muslims who practice the Qur'aan and Sunnah at all times in shaa Allah.

Failure to adhere to the Al-Huda School and Dar-us-Salaam standards can result in disciplinary intervention by the school administration. The student may be asked to leave the event immediately. ## **INTERNET USE POLICY & PROCEDURES**

### **Internet Use Policy**

Internet access is now available to students and teachers in the school. We are very pleased to bring this access to Al-Huda School and believe the Internet offers vast, diverse, and unique resources to both students and teachers. Our goal in providing this service to teachers and students is to promote educational excellence in schools by facilitating resource sharing, innovation, and communication.

The Internet is an electronic highway connecting thousands of computers all over the world and millions of individual subscribers. With access to computers and people all over the world also comes the availability of material that may not be considered to be of educational value in the context of the school setting. Al-Huda School has taken precautions to restrict access to controversial materials. However, on a global network, it is impossible to control all materials, and an industrious user may discover controversial materials. Al-Huda School firmly believes that the valuable information and interaction available on this worldwide network far outweigh the possibility that users may procure material that is not consistent with the educational goals of the school.

### **Internet Guidelines**

Al-Huda School's purpose in providing access to the Internet is to support research and education by providing access to unique resources and the opportunity for collaborative work. The use of an account must be in support of education and research and consistent with the educational objectives of the school. Sending or receiving of any material in violation of any U.S. or state regulation is prohibited.

Students are responsible for appropriate behavior on the school's computer network just as they are in a classroom or on a school playground. Communications on the network are often public in nature. General school rules for behavior and communications apply. It is expected that users will comply with Al-Huda School standards and the specific rules set forth below.

The use of the network is a privilege, not a right, and may be revoked if abused. The user is personally responsible for his/her actions in accessing and utilizing the school's computer resources. Parents have the option of denying their child individual access to the Internet.

The following guidelines are provided so everyone is aware of the responsibilities that come with using the Internet. If an Al-Huda School student/user violates any of these provisions, future Internet access will be denied. The signatures on this document are legally binding and indicate that those who signed have read the terms and conditions carefully and understand their significance. Students, who do not have an Internet Agreement form on file with his/her school, will be denied access to the Internet.

### **ACCEPTABLE USE AND INTERNET SAFETY POLICY (Grades 6-12)**

With the permission of your parent or guardian, Al-Huda School offers you an opportunity to use the Internet and computer systems at school. The term computer system includes hardware, software, data, communication lines and devices, terminals, printers, CD-ROM devices, tape drives, servers, mainframe and personal computers, the Internet and other internal or external networks.

We expect you to use the Internet and computer-based technology while in our building only for educational purposes. This use is a privilege, *not a right*, and we may discipline you or take away your right to use the Internet and computer technology at school if you misuse this privilege. This use is a privilege, not a right, and we may discipline you or take away your right to use the Internet and computer technology at school if you misuse this privilege. You are responsible for your own actions while you are on the Internet and are also accountable for any online activities that occur by others because you have allowed them to use your account.

The school's computer system is not a public forum. Any communications or materials used in the computer system, including electronic mail or other files deleted from a user's account may be monitored or read by school officials.

As a student, you should read the following regulations and then sign this form to show that you understand your responsibilities in using the Internet at this school. While using the Internet from school properties:

1. Students are responsible for good behavior on the school computer network, just as they are in a classroom or school hallway. General school rules for behavior and communications apply. This includes any communication between boys and girls - will be dealt with immediately.

3. While online, I will not use language, which may be offensive to other users. I will treat others with respect. The written and verbal messages I send while on the Internet will not contain profanity, obscene comments, sexually explicit material, or expressions of bigotry, racism, or hatred.
4. I will not cyberbully. "Cyberbully" means to threaten, harass, intimidate, embarrass repeatedly, or target another person, through emails, social networking, chatting, texting, instant messaging or websites. There are six common forms of cyberbullying<sup>3</sup> :

- Outing and Trickery: Sharing someone's secrets or embarrassing information, or tricking someone into revealing secrets or embarrassing information and forwarding it to others
- Cyber Stalking: Repeatedly sending messages that include threats of harm or are highly intimidating, or engaging in other online activities that make a person afraid for his or her safety (depending on the content of the message, it may be illegal)

I will tell an adult if I see any cyberbullying, cyber threats, or inappropriate activity.

5. I will not place unlawful information on the Internet, nor will I use the Internet illegally in any way that violates federal, state, or local laws or statutes. I will never falsify my identity while using the Internet.
6. I will not use the Internet for non-school related activities.
7. I will not send chain letters or any pyramid scheme either to a list of people or to an individual, nor will I send any other type of communication that might cause congestion of the Internet or interfere with the work of others.
8. I will not use the Internet to buy or sell or to attempt to buy or sell, any service or product.
9. I will not change any computer file that does not belong to me.
10. I will not use copyrighted materials or software from the Internet without permission of the author. I will cite the source where appropriate.

11. I will never knowingly give my password to others, nor will I use another person's password.
12. I will never use the Internet to send or obtain pornographic or inappropriate material or files.
13. Except for the usual information contained in the headers of my electronic mail, I will never give out personal information such as name, address, phone number, or gender.
14. I will never knowingly circumvent, or try to circumvent, security measures on either Al-Huda School's computers or on computers at any remote site.
15. I will never attempt to gain unlawful access to another person's or organization's resources, programs, or data.
16. I will not make or attempt to make, any malicious attempt to harm or destroy data of another user on the Internet, including the uploading, downloading, or creation of computer viruses.
17. I understand that the school system is not responsible or liable for any harm, damages or charges that result from my use of the system's technology, including loss of data, interruption of services, corruption of files or programs, purchases, hacking or other violations of this Acceptable Use Policy.
18. Al-Huda School reserves the right to take disciplinary action if a student or a group of students are engaged in inappropriate internet behavior and communication as listed above. This is true whether the communication is on or off school grounds.
19. I will report any violations of this Acceptable Use Policy that I have knowledge of to my teacher or principal.
